No, I cannot swear my attention is exclusively for you

## Chorus 1

I'm a chaste lover except when I'm with you  
Oh yes, a chaste lover, I look, but I don't do  
All of the others will have to miss  
My touch, my heart, my sweat, my kiss  
But my feelings flow where they can't go  
Ooh, I look at others, just so you know

## Verse 2

You are the one I chose for life, yet, there will be moments when  
I see something in someone else; does that make me half a wife?  
I've struggled with it for so long, repressing it proved very hard  
For loving is my purest part, denying it would be as wrong

I'll be a chaste lover except when I'm with you
