Verse 1

I'll be your muse when you want to write  
And your princess, when you're a knight  
I'll be your ice when you get too hot  
And your fire when you're not  
I'll be the puzzle you'll never solve  
The sun around which you revolve  
I'll be the clown, when you're sad  
What you need is what is get

Verse 2

I'll be your girl when you want to play  
And so lonely when you're away  
I'll be a vault when you want to hide  
And a cat when you want to fight  
I'll be a blanket when you're cold  
Or something precious you want to hold  
And when you miss me, I'm in your head  
What you need is what is get

So many faces, plenty of skills  
All that you need: I am at will  
I promise you all, from A to Z  
But be aware, once we're in bed
