

Your Mother Now

84 bpm / N+6 (F#)

Verse 1

Exhausted
I watch you dream your dreams
And wonder about my own
The ones that I used to know
Put on hold for one now come true
I sigh once more, looking at you, because...

Chorus 1

I'm your mother now
Bound to you until I die
No need to ask the reason why
'Cause I'm your mother now, your mother now

Verse 2

So confused
Torn between love and loss of self
No longer who I used to be
No longer carelessly free
It'll take time, I guess we'll be fine
You are so young, I'll have to be strong, because...

Chorus 1

Bridge

Sometimes I get so angry, sometimes I wanna scream
Where am I in all this caring? How could this have been a dream?
But from you I cannot run, this is where I belong
I know we'll be okay and if not, I'll find a way
